

Software Developer

Permanent, Full Time (37.5 hours Mon-Fri)
Reepham, Norfolk (remote working available)

We are looking for a mid-level Software Developer to build and implement functional products. You will work with other Developers, Product Owners and Project Managers throughout the software development lifecycle.

In this role, you should be a team player with a keen eye for detail and problem solving skills. If you have experience in Agile development and popular coding languages we'd love to hear from you.

You will work alongside the existing Development Team on a range of projects and products including our market leading holiday booking system and API, company websites and integrations with third party systems.

Required Skills:

- Design scalable, testable code in line with requirements & specifications
- Develop quality software and web applications
- Javascript (preferably React)
- PHP (preferably Symfony)
- MySQL
- Github / Bitbucket
- Knowledge of version control and change management
- Ability to work as part of a team and independently
- Enthusiasm and passion for learning new skills, innovation and creativity
- Test Driven Development and/or Behavioural Driven Development
- Minimum of 3+ years experience
- Excellent planning and documentation skills

Desirable Skills / Knowledge:

- AWS
- Experience with managing nginx and Varnish
- RESTful APIs
- Database administration
- Cloud database development
- Coding to GDPR standards
- Awareness of OWASP guidelines
- Awareness of the Payment Card Industry Data Security Standard (PCI-DSS)
- Building platforms that receive high levels of traffic
- Drupal
- Experience of working in an Agile environment
- Educated to degree level

- Ability to react flexibly and positively to a fluid workload and changing priorities
- Customer facing mobile app development

Benefits:

- Competitive rate of pay depending on experience
- 22 days holiday (including bank holidays) + your birthday
- Contributory pension scheme
- Training and development
- Social, creative, innovative environment
- BUPA Employee Assistance Program
