

Property Management Supervisor (Dales)

Yorkshire - Hawes office

A little bit about us at Ingrid Flute's...

The business was founded by Ingrid Flute in 1970 in Robin Hoods Bay, starting with a small notice for a caravan to let in her shop window. A well loved and respected local business woman, Ingrid grew the business up to 100+ cottages before she passed away in 2001. Ray Flute and partner Lucette, took the reins and continued to grow the business for a further ten years to over 200 properties, the largest selection of holiday cottages on the Yorkshire coast.

In 2011, Ingrid Flute's Yorkshire Holiday Cottages became part of The Original Cottage Company. Since then, the company has continued to flourish and, through a combination of organic growth and acquisition, now represents around 500 holiday properties in Yorkshire, Lancashire, Cumbria and Northumberland. Our main office is in Whitby on the Yorkshire coast, and in the Yorkshire Dales we have an office in Hawes plus office space in JR Hoppers estate agents in Leyburn.

The business is growing fast, with ambitions to continue to grow in size of the portfolio and geographically. This growth is based on a determination to offer what homeowners want:

- Excellent marketing power
- Comprehensive property management
- Competitive terms
- A personal, friendly, professional service

And we are part of a family too, The Original Cottages Family...

Set up by Richard & Lesley Ellis, Norfolk Country Cottages commenced trading in January 1992 from the family kitchen table. Since then, with enthusiastic organic growth and judicious acquisitions, we have grown to be the largest family-owned, independent holiday cottage company in the country, known collectively as The Original Cottage Company (TOCC).

Having our local brands means we can give that local, personal touch to our homeowners and holidaymakers alike. Being part of a bigger family means we can also offer more professional marketing, IT and accounts services than would not be possible with a smaller company. We believe this gives the best of both worlds and is unique in our industry. Our big competitors think we are crazy for having so many offices, staff and brands and our small competitors dream of having the expertise that we can offer. This is the reason we have grown every year since 1992.

We foster universally high standards and take a strongly ethical approach when dealing with our employees. We believe in playing to people's strengths and are proud of our reputation for flexibility and fairness as an employer, providing a professional, innovative and fun place to work. This is reflected in the fact that many of our employees are long-serving and thus very experienced.

As an award winning employer, we take delight in seeing our employees develop and grow within the business. We are proud to be a true family business with a strong set of values which guide and inform the way we work. We are:

- Family owned
- Reliable
- Innovative
- Fun
- Local
- Honest
- Flexible
- Friendly
- Customer focused
- Progressive
